

**Plan B Rally 2009**

**Competitor Bulletin #2**

**Jan 29<sup>th</sup>, 2009**

- **The start and finish of each stage is on opposite sides of the service area.**
- **The transit from stage finish to stage start passes by the entrance to the service area. You will have approximately 45 minutes to service after each stage.**
- **Between stages 3 and 4 there will be a lunch break with a longer service interval. There will be a barbeque at this time.**
- **Fueling will only be allowed during the lunch break. The fuel area is on the entrance road, just past the turn to service. It will be clearly marked.**
- **Service crews will be allowed to spectate from a designated area. Adjacent to finish "A" /Start "B." The start of "A" is visible from the service area. There are no other spectator areas at Plan B.**
